Stanford’s Summer Research Program for Teachers (SRPT) has arranged 262 paid summer Fellowships for 164 San Francisco Bay Area science teachers since 2005, making it one of the oldest and largest university-based Research Experience for Teachers (RET) programs in the country. Teachers spend 8 weeks full-time contributing to a research project for their host lab and developing new curriculum and materials to take back to their students.

**TOP DEPARTMENTS HOSTING TEACHERS**

- Medicine — 34
- Chemical Engineering — 32
- Mechanical Engineering — 31
- Civil & Environmental Engineering — 25
- Chemistry — 24
- Biological Sciences/Developmental Biology — 15

**TEACHER DEMOGRAPHICS**

- Under-Represented Minority — 15%
- Female — 54%
- Teach in High Need Schools — 45%
- From 134 schools in 47 districts
- Retention Rate in Classroom — 91%

SRPT has awarded **$2.2 million** in stipends.

SRPT teachers have reached over **160,000** students.

**Top Funders/Sponsors**

- National Science Foundation
- National Institutes of Health
- Howard Hughes Medical Institute
- San Mateo County
- U.S. Department of Energy
- Gordon & Betty Moore Foundation

209 Stanford graduate students & post-docs have spent about **18,400** hours mentoring teachers.

Ignited has provided more than **$800K** in pro bono services.
